Ben Logan, William Fonokalafi, and JV Enriquez helped the Glenfield College 6th Grade Rugby Team to a stunning pre-season win over Whangaparaoa College on Wednesday. Playing an attacking running game, the Gryphons managed to run in 12 tries to Whangaparaoa's 3, to completely dominate the game, winning 78–15. Whangaparaoa weren't completely out of the game and were able to capitalise on some close-in errors which allowed the 3 tries to be dotted down. "With many of the team members playing in some positions for the first time this was a great result and this provides a good foundation for the season," says head coach Johnno Johnson. The 6th Grade have one more pre-season game against Birkenhead College on 6th April, 4:00pm at Glenfield College.

Just over 25 Glenfield College students took part in the annual Shore 2 Shore 5km fun run on Sunday 27th March. Whilst the rain the previous day might have deterred many people from venturing outside, it did not dampen the spirits of the over 5000 participants from running and walking the 5km from Takapuna Grammar to Milford Reserve. The Shore 2 Shore, run by North Harbour Sport, acts as a Trust to help participating schools purchase sports equipment for projects and initiatives. The Glenfield College Sports Department will now be working with the Student Executive to purchase equipment for use at lunch times with the funds available to us from participating in this year's event.

## Gryphons Rugby announce new coaching staff

Coaching changes have been made to all three Glenfield College Rugby teams in one of the biggest makeovers the sports department has seen. With the departure of two prominent coaches and the addition of an extra team the door has opened up to allow for some very exciting changes. Che Muller has been appointed as head

coach of the 1st XV and Riki Horlock has joined him in the assistant and backs coaching role. The Sports Department is excited by this new coaching combination and wishes them all the best as they head into their first pre-season game against Long Bay College this Saturday at Long Bay. With the addition of a 6th grade team to the line

up we now welcome on board Johnno Johnson as head coach. The addition of this team has been crucial to the development of rugby within the College and we look forward to the continued growth. Former NPC player Tony Scott-Walton has taken over as Head Coach of 3rd Grade with Des Ngatipa assisting.
