Message from the Principal

How can we improve Glenfield College?

The world around us continues to fluctuate and provide challenge after challenge. To say 2020 has been an unforgettable year would be an understatement. We are definitely living in challenging times and the key to any challenging situation is to learn from it and build on the experience to make us richer and better prepared for what may lie ahead.

Previously, we have spoken of how out of a crisis, opportunities can arise. Online/remote learning worldwide has been forced to adapt and progress rapidly to keep up with external factors. At Glenfield College, we have come to recognise the importance of technology and we are preparing to integrate it

more with our curriculum. In 2022, Glenfield College will become a BYOD school. We are signalling this early to ensure that our students and community are well-briefed and prepared for the change.

We often refer to the fact that tomorrow's normal is different to anything we have experienced. With the upheaval currently happening in the world around us, now is the time to reflect and consider what we want as a community – parents/staff/students of Glenfield College. What was applicable yesterday, last year or previously may no longer be relevant. Another factor, and arguably just as relevant, is that we are constantly working to improve and be the best we can be. Therefore, early next week we will send out a survey and we ask that you please take the time to complete it. We are asking from you, what do you want us to take Glenfield College to the next level. While we have made many improvements and experienced growth, we want to continue moving forward and improving as a school and therefore, we welcome your input to ensure we continue in this positive direction.

Glenfield College is proud to welcome Moana Marsters-Whetu as our new teacher of Te Reo Māori. She is a mother to four and both her niece and nephew attend Glenfield College. She is excited to be a part of school life alongside them. A few of her favourite things in life are family outings, food, music, singing and dancing. She is looking forward to leading this role with mana and pride and hopes she can help our rangatahi grow a deeper connection to Māoritanga, Tikanga, and Te Reo Māori.

School Cross Country

Last Thursday afternoon Glenfield College held its annual Cross Country run. A large number of students competed in the event, in either the 3km (1 lap) course or the Senior Championship 6km (2 laps) course with a mix of tricky terrain, not to mention the daunting hill to start. As usual, the running/racing was of a high standard and the results were outstanding. A big thank you goes to the PE Department for all the organisation and preparatory work, to all student helpers and all staff for their involvement and help during the setup and conclusion of the event. Please follow this link for photos of the race: <https://www.flickr.com/photos/129130977@N02/albums/72157714666351783>. The winners are pictured below.

A Message from the Police

Waitemata East Police Youth team are focussing on student drivers in term three 2020.

This means at some stage in term three, you will notice an increased police presence around your school at finish time (3-4pm). This may happen just once or on numerous occasions.

You may be stopped by police in a patrol vehicle, or you may be stopped at a police road check-point.

We will be confirming your vehicle status – like current warrant of fitness and licence labels, the seat-belts of drivers and passengers, distractions such as mobile phone use while driving, and especially your licences – confirming you are driving to the conditions of any licence you hold.

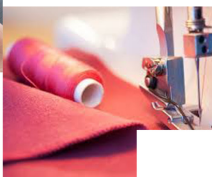

Some of the most common tickets we give to young drivers are as follows – be aware some of these infringements also carry demerit points when issued:

- Driver not carrying drivers licence (\$55)
- Using a mobile phone while driving (\$80)
- Driver not wearing a seat-belt (\$150)
- Learner Driver Unaccompanied (\$100)
- Speeding (fines from \$30 to \$630)
- Not displaying L Plates (\$100)
- Restricted driver carrying passengers (\$100)
- Expired Warrant of Fitness or Expired Licence label (\$200 each)
