Message from the Principal

On Wednesday this week, the Minister of Education made the announcement that Years 9 and 10 students can return to school from Wednesday, 17th November. After careful consideration, whilst

ensuring that we are providing a safe environment for our students to return, I confirm that Year 9 and 10 students will return to on-site learning from Monday, 22nd November.

Health & Safety Measures

We have a strict set of Alert Level 3 Health & Safety protocols that all students must adhere to.

Masks are mandatory for all students and staff on-site and are to be worn at all times (other than when eating and drinking). This includes both indoors and outdoors. We would also encourage students to wear masks on their way to and from school. Classrooms are set up to ensure that social distancing is maintained. We ask that students also respect the social distancing protocols in outdoor environments and when transitioning from one classroom to another.

Contact tracing measures are in place in classrooms and sanitation procedures operate over the course of each day, with classroom windows and doors open to aid ventilation.

Glenfield College staff have a 100% vaccination rate to support our students and have also presented negative test results before coming back to school.

Timetable

Remote learning will conclude on Friday, 19th November. From Monday, 22nd November, junior students will return to the normal (pre-lockdown) school timetable.

The purpose of the next four weeks is to re-connect and re-engage with our Year 9 and 10 students. It is vital that they feel safe and enjoy the environment of learning and being around others.

Student Drop-offs and Pick-ups

We ask that parents/caregivers do not come into the staff carpark. Collection of dropping off of students should happen on nearby streets.

Buses

All AT buses are currently running normal school services and this will continue from 22nd November. We remind students of the requirements to wear masks on public transport.

We look forward to seeing our Year 9 and 10 students soon.

with Pride & Respect
