

2 December 2022

Dear Parents/Caregivers

As your child moves into the senior school in 2023, we take this opportunity to remind you that there is a change of uniform for senior students. 2020 saw the launch of the new formal uniform which has been a resounding success. Students see this as an opportunity to represent the school with a sense of Pride and Respect. Details of this are below:

Senior Uniform	Boys	White Glenfield College shirt Long, knee-length black socks Shorts or long pants with Glenfield logo Shoes – black leather lace up with defined heel School Blazer & tie Soft-shell jacket
	Girls	White Glenfield College blouse Long skirt, mid-length skirt or culottes White socks with black band Shoes – black leather lace up with defined heel Black tights may be worn with shoes in winter School Blazer & tie Soft-shell jacket

The soft-shell jacket is optional.

The reason for this communication home is to inform our community and allow them enough time to prepare for the following year.

As with all other school uniform, you will be able to sell this back to the school second-hand uniform store.

New Zealand Uniforms has significant experience in assisting schools and communities when transitioning into new uniforms. They are happy to work with all families and answer any questions that you may have, including offering information about their savings scheme (The Uniform Club) which allows you to save towards your new uniform items.

We thank you for your support with this as we look at helping our college and students fulfill their potential.

If you have any queries, please do not hesitate to contact me.

Kind regards

Paul McKinley
Principal
