

YEAR 10 – START OF YEAR, 2023

The first day of school for Year 10 will be **Wednesday, 1st February 2023** – this will be “Day 3” of the timetable. The school day begins at 9.45am and finishes at 3.10pm. Students must be in correct school uniform.

Timetable and form class information should be available online, through the parent portal, prior to the start of the school year of 2023.

A stationery list is enclosed. Please ensure that you have the necessary basic equipment for school. Full stationery is not required in the first week, so there will be time to organise this once you know your course. Also attached is a list of donations requested for 2023.

Finally, we wish each and every one of you a restful and enjoyable holiday and we look forward to seeing you in 2023.

Paul McKinley
Principal
