

YEAR 11, 12 & 13 - START OF YEAR 2024

This letter is to inform you of important dates and times for the start of school in 2024.

Senior Students Course Confirmation - Thursday, 25th January 2024 – 9am to 11am

Only students who are contacted by their Dean need to attend course confirmation. Students are not required to wear school uniform on this day.

The first day of school for senior students will be **Wednesday, 31st January 2024** – this will be “Day 3” of the timetable. The day will begin at 9.45am and finish at 3.10pm. Students must be in correct **senior school** uniform.

Timetable and form class information should be available online, through the parent portal, prior to the first day of school for 2024.

A stationery list is enclosed. Please ensure that you have the necessary basic equipment for school. Full stationery is not required in the first week, so there will be time to organise this once you know your course. Also attached is a list of donations requested for 2024.

Finally, we wish each and every one of you a restful and enjoyable holiday and we look forward to seeing you in 2024.

Paul McKinley
Principal
