

**GLENFIELD
COLLEGE**

WELCOME TO OUR SCHOOL

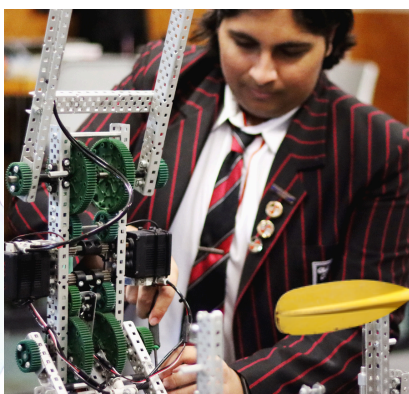

Since opening our doors in 1969, Glenfield College has been dedicated to providing a high-quality education that balances academic achievement, cultural pride, and sporting excellence. Our passionate teachers and staff genuinely care about our students, guiding them on their journey to success while fostering resilience, respect and responsibility.

At Glenfield College, we believe in high expectations, both in the classroom and beyond. Our students wear their uniform with pride, uphold strong values, and contribute to a safe, positive learning environment. We also know that school is about more than just academics. Whether it's on the sports field, performing on stage, or participating in cultural celebrations, we encourage our students to explore their talents and passions.

We are fortunate to have fantastic facilities, including modern classrooms, well-equipped digital learning spaces and expansive green fields. But more importantly, we have a school culture built on inclusivity, support, and the belief that every student can succeed.

We warmly welcome you to our school.

OUR VALUES
