Trip			350	350	350

* highly recommended workbook

Subject fees will be charged to your child's Kindo account at the start of each year (or when your child starts). We encourage parents to set up an automatic payment to Kindo to spread the cost of fees.

Extra-curricular activities (such as sport/ball/trips/tickets) can be "purchased" through the Kindo shop.

Hardship

We understand that from time to time, life can bring unexpected challenges that affect family finances. Our school has a hardship fund available to support families during these times. If you would like to apply for assistance, please complete the form below. All applications are treated with care and are confidential to the Principal. <https://forms.gle/EvAn8V3eFzJfzXn37>

For any finance-related queries, please contact Kirsten Coltman at k.coltman@gc.ac.nz.
